

## Instructions for the Airport Zone Disclosure Form

(1) Written notice that the residential property to be sold or leased is within an established Airport Zone shall be disclosed to the buyer/lessee as soon as possible after the start of the transaction. All advertising materials for the property should include the pertinent Airport Zone information, including all applicable zones, the name of the military airfield/installation or public airport, and references to where the buyer/lessee can find more information in relation to Airport Zones. Information about disclosure requirements in relation the Airport Zones, as well as other pertinent Airport Zone requirements, may be found in the Santa Rosa County Land Development Code, Chapter 8, by linking to the Santa Rosa County web page at <https://www.santarosa.fl.gov/DocumentCenter/View/5815/Land-Development-Code----Chapter-8----Military-Airport-Zones>.

(2) The determination as to whether the property lies within an Airport Zone or any other applicable zone may be made by using the Santa Rosa County [Interactive GIS Mapping System](#) (GoMAPS). The GoMAPS can check if any of the Airport Zones apply to a particular parcel of land through the “Report” function. First you must identify the property in question by either searching for the parcel using a street address, parcel number, or owner name, or by panning/zooming to the subject property in the main map view and using the “Identify” tool (make sure that “Parcel” is the layer set to identify). Then select “Reports” from the results window to pull up a list of available reports for the identified parcel. Then select the “Airfield Proximity Report” to have GoMAPS check if any Airport Zones apply to the property. You can check the [Regulations for Airport Environs website](#) for more detailed instructions.

Alternatively, the Santa Rosa County Department of Planning, Zoning, and Development may make the determination upon the written request of the property owner or agent. The request must include the street address of the subject property as well as the parcel identification number (tax identification number) for the property. Requests may be submitted via e-mail ([PlanningandZoning@santarosa.fl.gov](mailto:PlanningandZoning@santarosa.fl.gov)).

(3) For sales transactions, a copy of the fully executed Airport Zone Disclosure Form shall be attached to the contract for sale. For lease transactions, a copy of the fully executed Airport Zone Disclosure Form must be attached to the lease agreement. For both sale and lease transactions, the Seller or Lessor is responsible for providing a copy of the fully executed Airport Zone Disclosure Form after closing of the sale or commencement of the lease to the Naval Air Station Whiting Field Aviation Planning Office, Operations Code 31, Room 110, 7550 USS Essex Street, Milton, Florida 32570-6155.
